

ROYAL AERONAUTICAL SOCIETY Montreal Branch

Regulatory Lecture 2008

The Royal Aeronautical Society - Montreal Branch is pleased to announce that its Regulatory Lecture for 2008 will be held on Thursday, April 10, 2008, at the International Civil Aviation Organization, 999 University Street, Montreal, in Conference Room 3 (ground floor).

Lecture

(Doors will open at 18h30 and Lecture will begin at 19h00)

“European Union Air Transport Policy”

The Lecture will be presented by

Daniel Calleja Crespo

Director for Air Transport

**Directorate-General for Energy and Transport
European Commission**

Directorate-General
for Energy
and Transport

This Lecture will cover European Union air transport policy, including:

- Aviation policy agreements - EU-US and EU-Canada;
- Implementation of the Single European Sky;
- Aviation and the environment; and
- EU relations with ICAO.

The Lecture is open to all interested persons. Pre-registration, although not required, is recommended via e-mail to Dr. Stewart Schreckengast, MRAeS at sschreckengast@icao.int to whom any enquiries should also be addressed.
